

Arizona Policy Lab Election & Policy Survey, Fall 2020

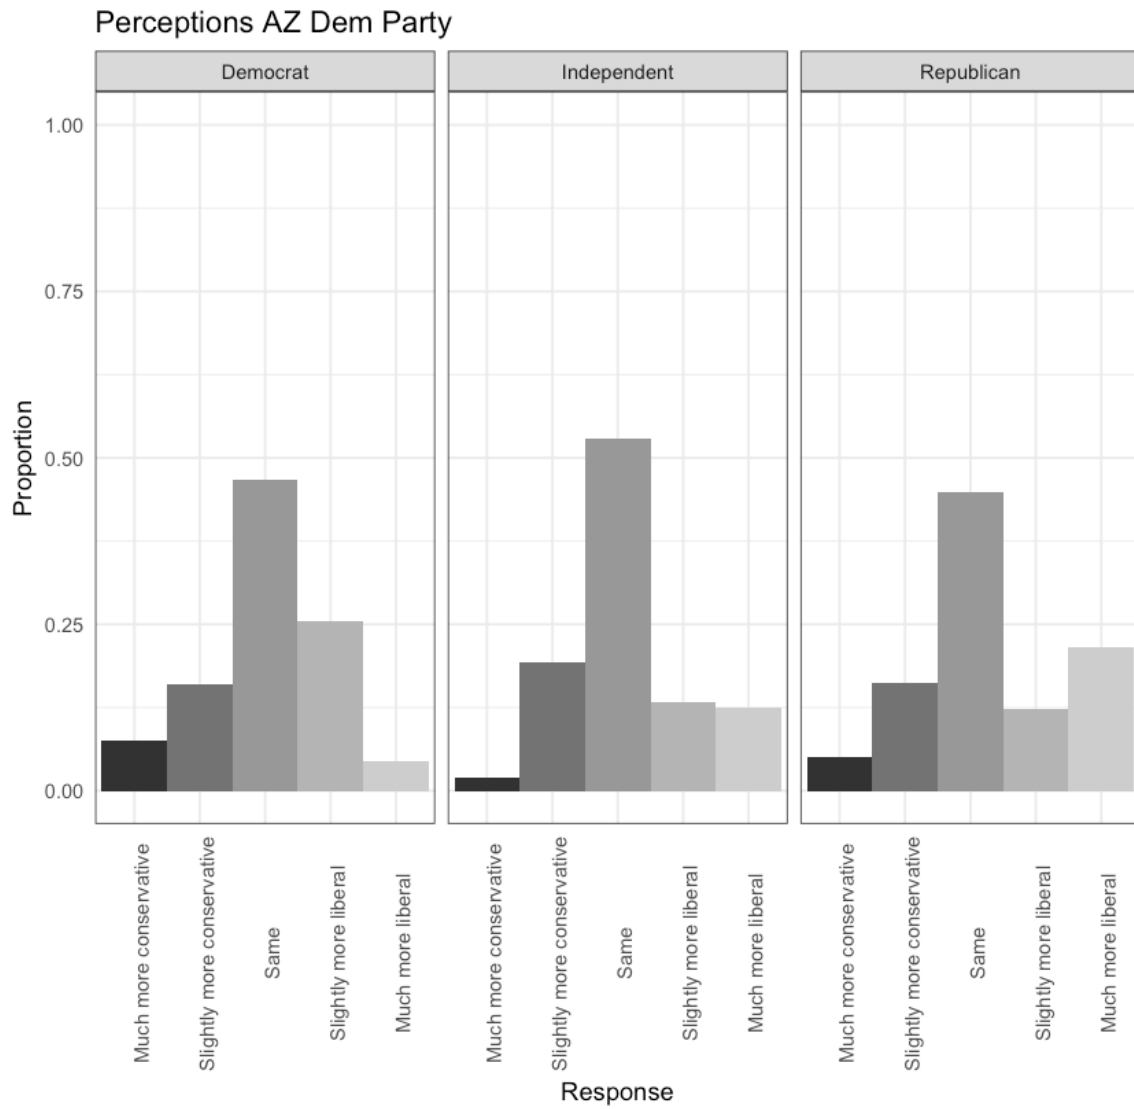

The Arizona Policy Lab Election & Policy Survey was collected by Dynata/SSI from September 1 - September 9, 2020. A total of 1,144 residents of Arizona completed this survey; 1,000 respondents were contacted by email and 144 respondents were contacted by telephone. We weight the data to state population proportions, with respect to age, sex, Hispanic ethnicity, income, and race; gender and age were imputed for phone respondents using multiple imputation through chained equations (MICE).

Respondents had the option to complete the survey in English or Spanish.

Key figures below; full questionnaire available by contacting policylab@arizona.edu.
